

MISSION: HAITI

Dan and Holly Ravenhorst were part of Faith Church before they moved into the mission field to work in Haiti as missionaries for the gospel. We are going as a team of students and adults to come alongside their ministry and assist them in reaching the people, families and furthering the gospel. We want to see their ministry grow and as missionaries of this church this means we just don't support by sending money, but come assist them and know what their struggles are and see what joys in ministry they have. When this opportunity came to us as a possibility, the student ministry leaders prayed if this was the right opportunity. We believe this is what God wants us to do for the benefit of our ministry and our students.

Purpose

Work alongside Heartline Ministry and Dan and Holly Ravenhorst in Haiti. Our desire is to walk alongside them as they reach people and families in whatever way would further their ministry. If that means we are doing work projects then we will do that, if that means children's ministry then we will do that. If they are leading a street evangelism team then we will do that as well. We want to encourage and walk alongside our missionaries because our church is part of their ministry.

Plan

We will be leaving July 6th or 7th and coming home on Sat, July 14. We will be flying out from Minneapolis and into Port-au-Prince, Haiti. We will spend Saturday getting situated and debriefed with our mission team. Sunday through Friday we will spend understanding the culture and mission in Haiti and working alongside Heartline and the Ravenhorst's.

Particulars

The trip is open for all students going into 9th grade next year (as of 9/1/18) and those graduating this June. We will not exceed 14 students going and 18 people total. The trip costs will be around \$1650 per student. We will be doing at least five fundraisers for this event that should cover most of the cost, if not all of the cost. Students will need to submit a \$150 non-refundable deposit by Wed, Dec 13. Also by the 13th, every student coming will need to have turned in an application. In addition, every person will need a passport.

Prayer

We want students praying about if this trip is for them. Port-au-Prince, Haiti sounds interesting and exotic but we need to be in prayer. If your student is called to be a part of this trip, please start praying with them for what this trip can be. If your student doesn't want to go, but you think it would be good for them to go, start a conversation and pray for God to work in their heart.
